

# ALL THINGS BEAUTIFUL

*by Brooke Roush*

Hi! Congratulations on your big day, and thank you for choosing All Things Beautiful for to get you ready!

Because things can be super hectic on this morning, here are a few things to remind your bridesmaids, and mothers.

#### Makeup:

Please have a clean, washed, face with your favorite moisturizer applied after  
Please make sure all the makeup is removed from your face

#### Hair:

Please have clean 100% dry hair (unless you have confirmed for a blowout)  
a blowout is \$25 extra per person if added to an undo.

The schedule you received is a guideline for the day. Even if we go off the schedule, (which happens) It is more important to have someone in my chair at all times.

I have everything I need to complete hair and makeup for everyone, however; Feel free to bring any of your own products for me to use if you have any allergies or concerns!

xo,

Brooke
